## Auditors Qualified Opinion on Standalone Financials:

-Referring to Note 3.1 to the financial statements, inventories amounting to ₹22,50,000/- have been lying idle for more than twelve months. The Company has not carried out an assessment of the net realizable value of these inventories as required under the applicable accounting framework [Ind AS 2 – Valuation of Inventories]. In the absence of adequate supporting documentation and audit evidence, we are unable to determine whether any adjustment is required to the carrying value of such inventories as at the reporting date.

-Referring to Note 3.2 to the financial statements, intangible assets under development amounting to ₹6,99,84,393/- have been carried in the books for more than two years without any demonstrable progress in its development or indications of technical or commercial feasibility. The Company has not carried out an impairment assessment in accordance with the applicable accounting standards [Ind AS 38 – Intangible Assets and Ind AS 36 – Impairment of Assets]. In the absence of such an assessment, we are unable to ascertain whether any impairment loss is required to be recognized.

-Referring to Note 3.3 to the financial statements, Company continues to recognize the minimum alternative tax paid in previous years amounting to Rs. 35,37,792/- as asset and expects the same to be adjusted against future tax payments. In our view, considering the history of losses and overall financial position of the Company, it is not prudent on part of the company to recognize the same as assets, and the same is not in consonance with the provisions of "Guidance Note on accounting for credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961.

## Auditors Qualified Opinion on Consolidated Financials:

-Referring to Note 4.1 the consolidation of the financials has resulted in recognition of Goodwill for an amount of Rs.11,74,04,155. The Company has not been doing any business and the goodwill recognized at the time of consolidation has not been tested for impairment as of 30/06/2025.

-Referring to Note 4.2 to the financial statements, inventories amounting to ₹22,50,000/- have been lying idle for more than twelve months. The Company has not carried out an assessment of the net realizable value of these inventories as required under the applicable accounting framework [Ind AS 2 – Valuation of Inventories]. In the absence of adequate supporting documentation and audit evidence, we are unable to determine whether any adjustment is required to the carrying value of such inventories as at the reporting date.

-Referring to Note 4.3 to the financial statements, intangible assets under development amounting to ₹6,99,84,393/- have been carried in the books for more than two years without any demonstrable progress in its development or indications of technical or commercial feasibility. The Company has not carried out an impairment assessment in accordance with the applicable accounting standards [Ind AS 38 – Intangible Assets and Ind AS 36 – Impairment of Assets]. In the absence of such an assessment, we are unable to ascertain whether any impairment loss is required to be recognized.

-Referring to Note 4.4 to the financial statements, Company continues to recognize the minimum alternative tax paid in previous years amounting to Rs. 35,37,792/- as an asset and expects the same to be adjusted against future tax payments. In our view, considering the history of losses and overall financial position of the Company, it is not prudent on part of the company to recognize the same as assets, and the same is not in consonance with the provisions of "Guidance Note on accounting for credit available in respect of Minimum Alternative Tax under the Income Tax Act, 1961
